	I94-04-032	Order Instituting Investigation on the Commission’s proposed policies governing restructuring California’s electric services industry and reforming regulation

SUMMARY: AUGMENTATION REQUIRED.

On July 26, 2000, Mona Petrochko, Enron Corporation, on behalf of the Alliance for Retail Markets (ARM), met with Ann Watson, advisor to Cmmr. Bilas. Referring to the Utility

Consumers' Action Network's emergency motion, Petrochko expressed ARM's support for the draft decision of ALJ Minkin. With regard to the emergency motions filed by both Pacific Gas and Electric Company and Southern California Edison Company to enter into long term bilateral agreements, Petrochko expressed concern about whether the motions warranted emergency action, the limitation of review of the transactions, and ratemaking treatment.

8/16/00 A99-12-024 Application of Southern California Edison Company for authority to value its hydroelectric generation assets and authority to retain its hydroelectric generation assets in a regulated utility corporation

Summary: SUMMARY: LATE FILED.

On July 27, 2000, Scott Cauchois, the Office of Ratepayer Advocates Program Manager, met with Cmmr. Wood in Los Angeles. Also present were: Bill Julian and Linda Serizawa, advisors to Cmmr. Wood; John Yurkanin, Scott Rasmussen, Brad Cooper and Lisa Urick, from the California Power Exchange; Mona Petrochko, representing the Alliance for Retail Markets; Beth Fox, from Southern California Edison Company; Dan Douglass, Western Power Trading From; Rebecca Schlanert, representing Commonwealth Energy; John Leslie, attorney for Shell Energy Services; Les Guliasi and Mark Huffman, from Pacific Gas and Electric Company; and Michael Shames representing the Utility Consumers Action Network. Cauchois urged the Commission to support ALJ Minkin's alternate decision and not the proposed decision of Cmmr. Duque. Cauchois noted the Commission should not take hasty steps to conclude the market is broken. Cauchois commented that the proposed order instituting investigation is the appropriate place to examine whether the market is functioning appropriately. Cauchois also noted the Attorney General was called in to investigate high gasoline prices earlier this year and his investigation did not uncover evidence of illegal activity.
